In re Application of :  
 CHERYL B. LeBEAU, et al. :  
 Serial No.: 09/303,632 : Group Art Unit 2854  
 Filed: 05/03/99 : Examiner: L. Grohusky  
 For: COMPUTER KEYBOARD COVER PACKAGE :

PROPOSED DRAWING CORRECTION

Assistant Commissioner For Patents  
 Washington, D.C. 20231

Sir:

Enclosed is a photocopy of the drawings. The proposed correction is to add numeral 33 and its lead line to indicate the package 33 of covers 23 in FIG. 5 (as described on page 5, lines 21 and 22) all as shown in red ink.

Correction was required by the Examiner in the Office Action of 06/21/00, paragraph 2.

FIG. 8 should be corrected to add numeral 30A and lead line to designate the end of seal 30 generally medially to accommodate the electrical wire of the keyboard 20, and 30B and lead line to designate elongated opening between 30A and the left end 29, all as shown in red ink.

FIG. 9 should be corrected by adding numerals 28 and lead lines to designate the layers 28 on both sides of the keyboard 20 therebetween, and adding numeral 20 and lead line, all as shown in red ink.

Approval is requested so that when formal drawings are prepared and submitted, they may include this requested correction.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D. C. 20231, on 9/21/00.

Arthur G. Yeager

Respectfully submitted,

Arthur G. Yeager
